## APSCHE - Microsoft UpSkill-2021-22

### Microsoft Certification & Learning for Upskilling Students in Emerging Technologies

The Government of Andhra Pradesh has collaborated with Microsoft for providing **Microsoft Upskilling Programme** to the students of the state to help make youth future ready. Consequently, AP State Council of Higher Education (APSCHE) has signed a Memorandum of Understanding (MOU) with Microsoft to up skill and train 1, 62,000 students and unemployed youth across 300+ colleges and skill development centers by leveraging Microsoft's expertise in technology. As part of the initiative, APSCHE has included undergraduate students studying in Govt. Degree College (GDCs) and has provided 5000 slots for registrations.

For Government Degree Colleges, the Commissioner for Collegiate Education is the Nodal Officer for executing this programme.

At the college level, Smt. N. Lakshmi Chaitanya, Lecturer in Computer Science, was nominated as Nodal coordinator for Visvodaya Government Degree College, Venkatagiri.

For this, all the colleges were asked for registration of interested students and for which 17 students from Visvodaya Government Degree College, Venkatagiri, were registered for the course **MSC017-MTA-HTML5 Application Development Fundamentals**, of which one student successfully completed the course and got the certificate.

The 6 Day Online Training (30 hours) was given to the students from 2<sup>nd</sup> June 2022 and the students attended the live classes on the provided platform Share Portal of Microsoft.
