The faculty and the students enthusiastically participated in the programme.

Report on Faculty Training programs

Program : **College level workshop on Opportunities and challenges in National Educational Policy (NEP-2020)**

Date : **04/01/2021**

Objectives:

- To sensitize the faculty on various dimensions of NEP 2020
- To discuss the road map for next academic year in the context of NEP 2020
- To address the pedagogical issues in the light of NEP 2020

Summary:

The NEP 2020 is the first education policy of the 21st century and replaces the thirty-four year old National Policy on Education (NPE), 1986. Built on the foundational pillars of Access, Equity, Quality, Affordability and Accountability, this policy is aligned to the 2030 Agenda for Sustainable Development and aims to transform India into a vibrant knowledge society and global knowledge superpower by making both school and college education more holistic, flexible, multidisciplinary, suited to 21st century needs and aimed at bringing out the unique capabilities of each student

The program was chaired by the Principal, Dr. K. Aruna Kumar. Principal has presented the highlights of the New Educational Policy 2020. Faculty members have expressed their views on the NEP 2020. Dr. Y. Malyadri, lecturer in English moderated the session.

Program: Faculty Orientation Program on Revised Choice Based Credit System (CBCS) w.e.f. 2020-21

Date: 12/10/2020

Objectives:

- To understand revised CBCS framework w.e.f. 2020-21
- To explore the scope and significance of Life skill courses and skill development courses
- To discuss career prospects in the revised framework

Summary:

The system of CBCS has been in vogue for the undergraduate programmes in all the advanced countries for several decades and proved to be advantageous to the students of higher education because of its features like courses in place of papers, availability of diverse courses, scope for choice, weightages with credits, space for multiple kinds of teaching, learning and assessing methods which can effectively cater to the diverse needs of students.

Dr. U. Narasimhulu, Vice-Principal, coordinated the orientation program on Revised CBCS Framework w.e.f. 2020-21. As the curriculum has been changed, there is immense need for revamping the curricular plans. This has been highlighted by the Principal Dr. K. Aruna Kumar. Sri. A. Srinivasulu, lecturer in Botany, gave a brief overview of the new guidelines and framework.
