As part of our sixth semester syllabus, we visited Jayaramalah Nursery, L.M. Kandriga, Vadamalapet Mandal, Chittoor District on 27/03/2022 to meet the following objectives.

**Objectives of Field visit:**

- ❖ To understand the Importance of nursery and basic infrastructure required to establish a nursery.
- ❖ Nursery bed preparation
- ❖ To identify various (ornamental, medicinal, fruit yielding, shade) plants which are growing in the nursery.
- ❖ To know the different tools/implements used in nursery
- ❖ Propagation techniques
- ❖ Economics of nursery development, pricing and record maintenance

During our visit we observed different ornamental, medicinal, bonsai and fruit yielding plants in the nursery. Mr. Jayaramalah, owner of the nursery explained the basic infrastructure require to establish a nursery, routine activities performed in the nursery and economics of of nursery development. Later our botany lecturers sri. A. Srinivasulu and sri. Y. Manjunatha Reddy explained various propagative structures of ornamental plants, taxonomical and key identification characters of the plants growing in the nursery as mentioned below.

### Brief Report of the Field Project

As part of the curriculum, we carried out a field project on "Mushroom Cultivation". In this connection we have visited Mushroom Cultivation Unit of Krishi Vigyan Kendra (KVK), Nellore along with our Botany Lecturer Sri. Srinivasulu on 21-09-2019.

#### **Learning outcomes of the project:**

- ❖ To identify edible types of mushroom.
- ❖ To gain the knowledge of cultivation of different types of edible mushrooms and spawn production.
- ❖ To manage the diseases and pests of mushrooms.
- ❖ To learn a means of self-employment and income generation.

We started our journey at 9 AM from Venkatagiri and we reached the KVK, Nellore at 11 AM. First we met the Programme Coordinator, KVK, Nellore requested permission for our project. Then, we were attached to Dr. Vijay Kumar Naik to train us in mushroom cultivation. In the morning session Dr. Vijay Kumar Naik gave a lecture on introduction of edible mushrooms, spawn preparation, medium and bed preparation for mushrooms, investment and returns of mushroom cultivation through a beautiful power point presentation.

In the afternoon, we had a hands-on practice session on different techniques in mushroom cultivation. During this session, Dr. Vijay Kumar Naik involved us in spawn preparation, bed preparation and spawning.

**Conclusion:** From this field visited we have gained the practical knowledge on identification of edible mushrooms and cultivation of different types of edible mushrooms.

#### **Acknowledgement:**

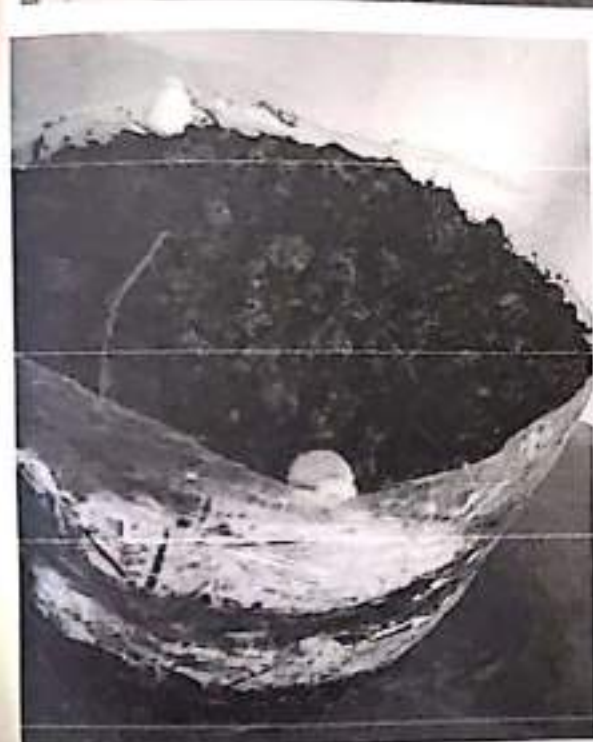

We express our heartfelt thanks to Dr. U. Narasimhulu, Principal, Visvodaya Government Degree College, Venkatagiri for granting permission to carry out this project. We thank the Programme Coordinator, Krishi Vigyan Kendra, Nellore for providing an opportunity to visit their institute and accomplishing this task. We also express our sincere thanks to Dr. Vijay Kumar Naik for training us in the cultivation of different edible mushrooms. Finally, we thank our Botany faculty Sri. A. Srinivasulu for his guidance and support during the project.

Coordinators from industry : Mr. Vishweshwer Muthyam, Additional director  
Mr. B. N. Hitesh Kumar, Director  
Mr. Ravindranath, H R Manager

The Educational visit to Anvitha life care Private Limited, Naidupeta was organized by Visvodaya Government Degree College on 9<sup>th</sup> March 2022. All in all there were 22 students of I & II year BSc B.Z.C who actively participated in the visit which was successfully coordinated by Dr. V Reddi Rani and Mrs.R. V Surekha. This visit was organized with prior permission and under the guidance of our Principal Dr. K. Aruna Kumar.

**Objectives:**

- To provide students an insight regarding internal working of Industries.
- To provide students with an opportunity to learn practically through interaction, working methods and employment practices.

**Anvitha Life Care Pvt. Ltd:**

Established in 2016, is a bulk drug manufacturing company located at Attivaram (V), Ozili (M), Naidupeta. This organization has ISO 9001:2015 Certification.

**Field visit:**

We started our journey at 9:40 AM from Venkatagiri and reached our destination at 11:00 AM. We met eminent personalities Mr. Vishweshwer muthyam and B. N. Hitesh kumar etc. Firstly they introduced Anvitha life care Pvt. Ltd to us with a nice power point presentation followed by refreshments arranged by the company. Then we have seen different sections in the industry such as-

1. Material ware housing area
2. Production block
3. Boiler and chiller section
4. R & D section
5. Instrumentation division

Prior to the visit we have been supplied with head caps and helmets. The students were divided into two batches for effective learning at different sections of the company. The first department that we visited was raw material and packaging material warehousing area where we got to learn how the raw and packaging materials are stored and labelled and we have seen different types of labels with different colors fixed on containers indicating the batch number, issue date, expiration date and storage conditions. It includes sample collecting zone, dirt cleaning section and a storage room. After analysis of little sample it will be shifted to production block according to the requirement. In the production block we have seen big reactors and various controls of their operation along with various safety rules. then we have seen boiler and chiller section. Students also gained the knowledge of operating fire extinguisher. After this we have moved to R & D section where we have seen small scale reactions, fuming cupboard, work up process, TLC checking etc. Finally at instrumentation division we have seen gas chromatography, mass and HPLC.

During the visit an MoU has been signed between Department of Chemistry, Visvodaya Government Degree College and Anvitha Life Care Private Limited.

MoU has been made with an objective to provide industrial exposure along with employment opportunities to the students.
