This Memorandum of Understanding is signed on the last date of signatures below ("Effective Date") between Commissionerate of Collegiate Education, Govt of Andhra Pradesh having its office at ANR Towers, 1st Floor, Prasadampadu, Vijayawada, Andhra Pradesh- 521108 (hereinafter called as CCE, Govt of Andhra Pradesh)

and

Cisco Systems India Private Limited ("Cisco") having its registered office at SEZ, Cessna Business Park, Marathahalli-Kadubeesanahalli Outer Ring Road, Kadubeesanahalli Village, Varthur Hobli, Bengaluru 560 103, Karnataka, India (hereinafter called "Cisco"),

hereinafter, each a "Party" or together, "the Parties".

The Parties have been discussing a proposed collaboration in the area of **"Skill Development, IT Education and Workforce Development Programs"** ("Collaboration Areas").

Cisco Networking Academy is a global workforce development program for learning institutions and individuals worldwide. More than 10.9 million people have joined the Networking Academy and become a force for change in the global economy since 1997.

Networking Academy is one of the pillars of Cisco's Corporate Social Responsibility and delivers classroom instruction, online teaching materials, interactive tools, and hands-on learning to students from every socio-economic background, so that they can develop the knowledge and skills required to succeed in a technology-driven market.
Now the Parties agree as follows:

A.   NON-BINDING BUSINESS TERMS.

The Parties understand that this **MOU** is intended only to summarize the current business understanding of the Parties with respect to the Collaboration Areas and to facilitate their further discussions regarding certain objectives of the proposed partnership, as more fully described in Exhibit A, which are non-binding on the Parties. The terms and objectives set forth in Exhibit A shall be used for discussion purposes only and shall not be deemed to create any rights or obligations for or on behalf of any Party.

The Parties hereby acknowledge and agree that either Party may unilaterally terminate all negotiations at any time without any obligation or liability by giving the other party written notice. The Parties agree to proceed at their own risk and expense regarding the subject matter of this MOU until the execution of the definitive agreements if any or termination of negotiations, whichever is earlier. This MOU is non-exclusive and neither Party shall be precluded from entering into similar transactions with any third parties.

Each Party acknowledges that the other Party has not given it, nor has it relied on, any representations or assurance of future revenues, sales opportunities or profits arising from or in connection with the subject matter of this MOU. The Parties acknowledge that neither Party is justified in acting in reliance upon any promises nor representations of present intention purported to be contained in this MOU. Nothing in this MOU will exclude any liability which one party would otherwise have to the other party in respect of any statements made fraudulently.

2. Scope

To this end, Commissionerate of Collegiate Education, Govt of Andhra Pradesh (CCE) and Cisco have decided to work together for the purpose of expanding digital skills in the identified up to 50

15/10/20

CISCO CONFIDENTIAL

Govt Degree Colleges located in various parts of the state, the details of which are provided in Exhibit A below. All the students in identified colleges will have access to self-learning courses available on the NetAcad portal. CCE will recommend 'Instructor-led' courses to identified colleges.

Cisco and CCE have mutually agreed that this program will be implemented by EduSkills Foundation for next 3 years subject to yearly performance reviews. Metrics for the review will be referred from point 3 of the exhibit A document.

The scope of this MOU as described above does not cover any development work, testing, licensing, distribution, support, sales, or maintenance. Should the Parties decide to pursue such matter that is outside the scope of this MOU, the Parties shall enter into a development, license, distribution, or other appropriate written agreement(s) accordingly. Projects initiated by Cisco directly through it's affiliates or their channel partners in compliance with this MOU is for the purposes of promoting the objectives set out herein and not for resale, remarketing or distribution, rent, lease or for other use that would be inconsistent with the stated purpose of this MOU.

3. Publicity

The Parties hereby agree that no press release or other public announcements regarding this MOU or any agreements contemplated thereby shall be made without prior review and written agreement signed by a duly authorized representative of the other Party.

4. Term and Termination

The Parties agree that this MOU shall be effective as of the Effective Date and shall continue in effect until the earliest occurrence of one of the following: (1) the execution of a definitive MOU or definitive agreement relating to the scope of this MOU; (2) written notice by one Party to the other of termination of this MOU; or three (3) years from the Effective Date of this MOU. Section B (including all subsections) shall survive any termination of this MOU. Upon expiry of the Term, it is the intention of the Parties to further progress the solutions initiated under this MOU towards overall achievement of the objectives and outcomes contemplated herein. CCE shall, to this extent, endeavor to continue maintaining and promoting such solutions and projects to further the objectives set forth in the MOU.

5. Limitation of Liability

Except for liability relating to either Party's breach of the other Party's confidential information or intellectual property rights, in no event shall either Party be liable to the other Party for any direct, indirect, incidental, special, punitive or consequential damages or loss of profits, lost revenue or loss of data.

Notwithstanding the foregoing, nothing in this MOU shall limit the Parties liability for bodily injury or death caused by its negligence or its liability in the tort of deceit.

6. Export, Re-Export, Transfer & Use Controls

The products and technology (whether supplied directly or indirectly) ("Products and Technology") by Cisco under this MOU are subject to export controls under the laws and regulations of the United States ("U.S."). CCE shall comply with such laws and regulations governing export, re-export, transfer and use of Cisco Products and Technology and will obtain all required U.S. and local authorizations, permits, or licenses. Cisco and CCE each agree to provide the other information, support documents, and assistance as may reasonably be required by the other in connection with securing authorizations or licenses. Information regarding compliance with U.S. export, re-export, transfer and use laws may be located at the following URL:http://www.cisco.com/wwl/export/compliance_provision.html. The Customer's obligations

under this Section shall survive the expiration or termination of the MOU.

7. Intellectual property rights

Each Party will retain the exclusive rights, title and ownership of all its pre-existing Intellectual Property or independently developed, Confidential Information and materials (including, without limitation, proprietary ideas, sketches, diagrams, text, know-how, concepts, proofs of concepts, artwork, software, algorithms, methods, processes, identifier codes or other technology) owned or developed by such Party, and no license to the same is intended to the other party, unless agreed separately under specific definitive agreements.

8. No Partnership

Execution of this MOU and participation in the activities described herein is not intended to, and shall not be construed to, create or constitute a franchise, joint venture, partnership, or other joint business relationship between Cisco and CCE. CCE acknowledges that Cisco has not given it, nor has it relied on, any representations or assurances of future revenue, sales opportunities or profits arising from participation in the activities described in this MOU.

9. Governing laws, jurisdiction and dispute resolution:

This MOU shall be subject to and governed by the laws of India and the courts in Bengaluru shall have exclusive jurisdiction over any claim arising under this MOU. Notwithstanding the foregoing, either Party may seek interim injunctive relief in any court of appropriate jurisdiction with respect to any alleged breach of such Party's intellectual property or proprietary rights.

10. Compliance with laws:

The Parties hereby represent and warrant that they shall not take or cause to be taken, any action or permit or authorize any action which will render Cisco liable for a violation of the U.S. Foreign Corrupt Practices Act, or other applicable laws, which prohibits the offering, giving or promising to offer or give, directly or indirectly, money or anything of value to any official of a government, political party or instrumentality thereof in order to assist it or Cisco in obtaining or retaining business and the Parties will not violate or cause Cisco to violate such Act. Cisco strives to maintain the highest standards of business integrity and, accordingly, if a Party has any cause for concern regarding any business practices these should be reported to Cisco at ethics@cisco.com.

11. Costs

Unless otherwise agreed upon in writing, each Party shall bear its own costs and expenses arising in connection with this MOU and the possible negotiations, completion and implementation of definitive Agreements if any, including but not limited to costs of experts, consultants, lawyers and travel expenses.
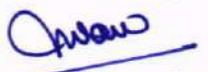

12. Assignment

Parties shall not assign, sell, transfer, or in any way encumber its interest under this MOU without obtaining the prior written consent of the other Party hereto.

13. Amendment

This MOU may be amended at any time by the mutual written assent of the Parties.

14. Severability.

Should any portion of this MOU be determined to be illegal or unenforceable, the remainder of the MOU shall continue in full force and effect, and either party may renegotiate the terms affected by the severance.
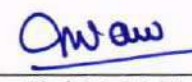

IN WITNESS WHEREOF, the parties hereto have executed this **MOU** by persons duly authorized as of the date and year first above written.

1. Introduction:

Cisco Networking Academy is a global education program that teaches students how to design, build, and secure computer networks for increased access to career and economic opportunities. It provides online courses, interactive tools, and hands-on learning activities to help students prepare for ICT careers in virtually every type of industry. Networking Academy helps students build 21st Century skills such as collaboration and problem solving by encouraging practical application of knowledge through hands-on activities and network simulations.

Networking Academy teaches ICT skills to students from virtually every socio-economic background and region of the world. The courses help narrow the technology skills gap by preparing individuals for careers in the new global economy. Since 1997, Networking Academy has grown from a small-scale to become the world's largest e-learning program and Cisco's largest corporate social responsibility program operating in 165 countries. More than 2 Million students develop ICT skills through the program each year. Networking Academy was launched in India in 1999. Over the past 19 years Cisco has supported the training of more than 400,000 students through public-private partnerships with higher educational institutions, vocational schools, public sector agencies, and nonprofits across India.

2. Proposed Obligations of CCE, Govt of Andhra Pradesh:

- Identify up to 50 Govt degree colleges those meets the program requirements to launch Cisco NetAcad program.
- Plan & execute faculty & students engagement activities to create awareness for student enrolment in self-learning courses.
- Organise training for instructors from all identified colleges. Instructor training duration will differ based on the courses offered. Training logistics will include space, general utility (electricity, water, and internet connectivity), trainers and trainee's food and accommodation, lab set up, individual laptops, etc.
- Each degree college will be required to enroll as an independent Networking Academy via the membership agreement process and should adhere to following pre-requisites:
  i) Provide high speed broadband connectivity, computer labs for relevant courses (based on min requirements shared by Cisco), and classroom IT set-up.
  ii) Identify upto 2 (Two) instructors from each institution with required qualification like Engineering/MCA in Computer Science/IT/Electronics, etc. or experienced diploma holders to receive Intructor Training.
  iii) Ensure that the identified centres must have the minimum lab requirements for ITE in all the centers. CCNA labs are recommended for all the centers which choose to offer CCNA. Refer to the Scope and Sequence document provided by Cisco for necessary equipment list in each academy.

Participating College's roles & responsibilities:

- Commitment to utilizing the Cisco Academy "Netspace" learning management system for student enrolment, course delivery, class assignments & assessments.
- Keep record of each student since enrolment to employment & report quarterly to Cisco & CCE, Govt of Andhra Pradesh.
- Maintain a healthy student count & ensure quality delivery of the courses.
- Responsible for the academy support center fee "ASC fee".
- Responsible for the Instructor training fee "ITC fee".

*If the identified centre does not deliver the courses as prescribed / specified by Cisco Networking Academy, then CCE, Govt of Andhra Pradesh and Cisco will have the right to identify an alternate institution for the pilot.

3. Proposed Obligations of Cisco:

Cisco will either directly or through its authorized training partners as may be applicable:

- Enroll identified colleges as Cisco Networking Academy via membership agreement process. This shall be subject to the institutions meeting Cisco Networking Academy's program requirements.
- Provide access to learning management system (LMS) to deliver the courses.
- Provide course completion certificate to the enrolled students who successfully complete Cisco Networking Academy course
- Access to workforce development programs such as:
    - Women Rock IT (WRIT): designed to both inspire young women to consider careers in IT as well as support and motivate those who are already on that journey.
    - Find Yourself In The Future (FYIF): A career oriented support program for the students from technology background.

4.   Proposed Joint Obligations, if any:

The Parties agree for a quarterly meeting of representatives. Such meetings will be organised and hosted by Cisco (either face to face or any assisted technology like TelePresence or Webex) for the purpose of assessing how the co-operation is progressing and to identify areas where it could be strengthened. In addition, if there are any issues that arises in the execution of this program, then, the parties will mutually address and resolve such issues during these review meetings.

5.   Special Terms and Conditions:

Any implementation of the objectives / obligations shall be subject to separate definitive agreement(s) and such definitive agreement(s) shall be subject to internal approval by Cisco and CCE, Govt of Andhra Pradesh.

The program will provide the following benefits to the students of GDCs under purview of CCE, AP

Students and Teachers receive hands on training through FOSS (Free and Open Source Software) like Linux, Scilab, LaTeX, PHP & MySQL, Java, C/C++, Libre Office etc. The students who complete the required training hours will be awarded Certificates by Spoken Tutorial Project, IIT Bombay.

The training enhances IT, Software skills and employability for the students and **any number of students and faculty can take any number of courses and Certificates in a year with User Fee of Rs. 25.00 Lakhs/year/155 GDCs across the State.**

The Commissionerate of Collegiate Education (CCE), Andhra Pradesh State and Spoken Tutorial Project, IIT Bombay does hereby agree to the following broad terms of cooperation as under:

Commissionerate of Collegiate Education shall-

- Identify a Chief Central Co-ordinator from the department who will actively work and co-ordinate with Spoken Tutorial team, IIT Bombay to roll-out and introduce the project into all degree colleges in the state.

- Put up the signed agreement note on the CCE website along with Spoken Tutorial site link and Andhra Pradesh Training Manager Ms.Sanchita Samant's contact details and issue circular to all the Principals of Government Degree Colleges to introduce and roll-out training in colleges.

- Conduct a Master training program for a faculty member in each GDC through Faculty Development Training Program for running Software training SELF learning way in their respective Colleges as one of the initiatives under capacity building.

- Issue instructions to all the GDCs to introduce the Spoken Tutorial based software training in the GDCs.

- Have a monitoring system on department's website **http://www.apcce.gov.in/** to track the progress made by the different

colleges, suggest bi-monthly reports from colleges to CCE and ST, IIT Bombay.

The Spoken Tutorial Project, IIT Bombay shall-

Work as a mentor for all GDCs in the Andhra Pradesh State, offer General IT Skills package in Telugu also.

Support the training and execution by CCE by providing manuals and continuous guidance at the unit level that is the Government Degree College.

Nominate a Representative who will work with the Faculty Development Training Program in CCE.

Provide required guidance and support for progression and higher levels of learning through advanced courses.

Issues Completion Certificates, who undergo training and qualifies the Online assessment test and participation Certificates to the students who undergo the training and do not take the Online test.

Provide the promotional materials like posters, brochures, leaflets, banners etc. to the CCE and the GDCs in AP.

General

This agreement is for a duration of one year from the date of signing and can be renewed and modified from time to time if necessary, based on mutual consent.

The interpretation of any clause will rest with CCE AP.

Now based on the above-mentioned promise(s), the parties put their signatures on this MoA on ....13|7| 2020.

Internship at Sri Jayaramaiah Nursery & Gardens

In the months of August & September a group of B.Sc(BZC) students from Visvodaya Govt. Degree College, Venkatagiri, completed a two-month internship at Sri Jayaramaiah Nursery & Gardens in Vadamalapet. The internship was aimed at providing students with practical experience in plant nursery operations, while also giving them exposure to the latest techniques in plant breeding, propagation, and management.

The students were assigned to different sections of the nursery, including the greenhouse, shade house, and outdoor plant nursery. They were given hands-on training on various tasks, such as soil preparation, seed sowing, grafting, pruning, watering, and fertilization. They also learned how to identify different plant species, pests, and diseases, and how to use appropriate pesticides and fungicides.

In addition to practical training, the students also had the opportunity to attend lectures and discussions by experienced horticulturists and plant biologists. These lectures covered a wide range of topics, such as plant physiology, breeding techniques, and pest management strategies.

During their internship, the students worked on several projects, including a study on the growth and development of different plant species under different environmental conditions. They also participated in the preparation of plant catalogs and brochures for the nursery.

At the end of their internship, the students presented their projects and shared their experiences with their peers and faculty members. They expressed their gratitude to Sri Jayaramaiah Nursery & Gardens for providing them with an excellent learning opportunity, and for the guidance and support provided by the nursery staff.

Overall, the internship was a great success, providing B.Sc BZC students with valuable practical experience in plant nursery operations, while also enhancing their knowledge and skills in horticulture and plant biology. It was a great example of how academic institutions can collaborate with industry partners to provide students with relevant and meaningful learning experiences.
