## **BADMINTON TRAINING AT INDOOR STADIUM IN VENKATAGIRI**

**Date** : 30<sup>th</sup> January, 2022

**Objective** : 1. To train the selected students under the supervision of expert coaches.

### **Description :**

Six students were selected for badminton championship from our college, namely, Triveni III BA, Devi II BA, Alveena III BSc, Santhi III BA, Pallavi II BVoc MLT and Hari Vandana III BSc BZC. Initially, they were trained under the supervision of DSA coaches in the local indoor stadium. The training program was designed to last for a duration of 2 hours and included various drills and exercises to improve the players' badminton skills.

#### **Warm-up:**

The activity started with a 10-minute warm-up session that included jogging, stretching exercises, and footwork drills. The warm-up was important to prevent injuries and prepare the players for the more intensive parts of the training.

#### **Racquet Skills:**

The first hour of the training program focused on improving the players' racquet skills. The drills included forehand and backhand shots, drop shots, clears, smashes, and net shots. The players practiced these shots individually, in pairs, and in small groups to develop their technique, footwork, and hand-eye coordination.

#### **Footwork:**

The next 30 minutes were dedicated to footwork drills. The players performed agility drills, ladder drills, and shuttle runs to improve their speed, agility, and balance on the court. The drills also helped them practice their court coverage and positioning.

#### **Strength Training:**

The final 30 minutes of the training program were devoted to strength training exercises. The players performed lunges, squats, planks, push-ups, and pull-ups to improve their strength and endurance. The exercises focused on developing the players' leg, core, and upper body strength, which is essential for badminton.

The badminton training activity was successful in improving the players' skills and preparing them for upcoming tournaments. The training program was

well-designed and provided a good balance of racquet skills, footwork, and strength training exercises. The players showed significant improvement in their technique, speed, and endurance, and were able to apply what they learned in the activity to their matches. Overall, the activity was a positive experience for the players and contributed to their development as badminton players.

**Outcome:** 1. Selected students were trained for inter collegiate championship.

## BADMINTON TRAINING FOR BOYS AT AC SUBBAREDDY STADIUM, NELLORE

**Date** : 23<sup>rd</sup> January, 2022

**Objective** : To train the selected students under the supervision of state level coaches under the supervision of DSA

**Description :**

The AC Subbareddy Stadium in Nellore hosted a Ball Badminton tournament for boys on 23<sup>rd</sup> January, 2022. The event aimed to promote the sporting skills among students selected for the Inter collegiate championship in the Vikrama Simhapuri university region and encourage them to participate in sports activities.

Event Details:

The tournament was held on a Saturday and saw participation from over 10 colleges. The teams were divided into groups and played in a league-cum-knockout format. The matches were played on a concrete court, which had been specifically set up for the tournament.

The event was organized by the District sports authority, and they had arranged for an experienced referee to oversee the matches. The matches were played with a standard ball badminton ball and players were required to wear appropriate sports attire and footwear.

Participation and Performance:

The tournament was well received by the participants and spectators alike. The boys showed great enthusiasm and skill on the court, displaying impressive ball control and strategic play. The matches were closely contested, with several games going down to the wire.

The tournament provided a platform for young boys to showcase their talent in Ball Badminton and encouraged them to pursue the sport further. The event was a great success and has helped to popularize the sport among the youth in Nellore.

The Ball Badminton tournament held at the AC Subbareddy Stadium in Nellore was a resounding success. The event provided an excellent opportunity for young boys to participate in sports activities and showcase their skills. The tournament also helped to popularize Ball Badminton in the region and

encourage more youth to take up the sport. Overall, the event was well-organized and enjoyed by all participants and spectators, making it a memorable experience for everyone involved.

**Outcome:** Selected students were trained for inter collegiate championship

## GROUND PREPARATION UNDER THE GUIDANCE OF DSA COACHES IN THE COLLEGE

**Date** : 9<sup>th</sup> January, 2022

**Objective** : To prepare the college ground to host the upcoming Inter collegiate championship

**Description :**

The inter-collegiate tournament for Kabaddi and Volleyball is scheduled to be held at our college in January, 2022. As a part of the organizing committee, it was our responsibility to ensure that the playing grounds were prepared to the highest standards to host the tournament.

Ground Preparation:

The Kabaddi and Volleyball grounds were located next to each other, and we started the preparation work simultaneously. The first step was to level the grounds to ensure a smooth and even playing surface. We used bulldozers and other earth-moving equipment to remove any uneven surfaces and fill in any potholes.

The next step was to mark the boundary lines for both the Kabaddi and Volleyball courts. We used chalk powder and strings to mark the lines accurately, and measured the distance between the lines to ensure they were within the official dimensions.

For the Kabaddi court, we set up poles and nets at the center line to mark the dividing line for the two teams. The poles and nets were secured firmly into the ground to ensure that they did not shift during the game. We also set up a scorer's table and chairs at the edge of the court to keep track of the score and time.

For the Volleyball court, we set up a net at the center of the court and secured it firmly using metal poles. We also installed poles on the sides to provide support to the net and ensure that it remained taut throughout the game. We also set up chairs for the referees and linesmen to sit during the game.

We then made sure that the playing surfaces were safe for the players by removing any sharp objects or debris from the ground. We also watered the grounds to ensure that they were not too hard or slippery during the game

**Outcome:**

Necessary arrangements and required parameters were ensured in the ground preparation.

The Educational visit to Anvitha life care Private Limited, Naidupeta was organized by Visvodaya Government Degree College on 9<sup>th</sup> March 2022. All in all there were 22 students of I & II year BSc B.Z.C who actively participated in the visit which was successfully coordinated by Dr. V Reddi Rani and Mrs.R. V Surekha. This visit was organized with prior permission and under the guidance of our Principal Dr. K. Aruna Kumar.

**Objectives:**

- To provide students an insight regarding internal working of Industries.
- To provide students with an opportunity to learn practically through interaction, working methods and employment practices.

**Anvitha Life Care Pvt. Ltd:**

Established in 2016, is a bulk drug manufacturing company located at Attivaram (V), Ozili (M), Naidupeta. This organization has ISO 9001:2015 Certification.

**Field visit:**

We started our journey at 9:40 AM from Venkatagiri and reached our destination at 11:00 AM. We met eminent personalities Mr. Vishweshwer muthyam and B. N. Hitesh kumar etc. Firstly they introduced Anvitha life care Pvt. Ltd to us with a nice power point presentation followed by refreshments arranged by the company. Then we have seen different sections in the industry such as-

1. Material ware housing area

2. Production block
3. Boiler and chiller section
4. R & D section
5. Instrumentation division

Prior to the visit we have been supplied with head caps and helmets. The students were divided into two batches for effective learning at different sections of the company. The first department that we visited was raw material and packaging material warehousing area where we got to learn how the raw and packaging materials are stored and labelled and we have seen different types of labels with different colors fixed on containers indicating the batch number, issue date, expiration date and storage conditions. It includes sample collecting zone, dirt cleaning section and a storage room. After analysis of little sample it will be shifted to production block according to the requirement. In the production block we have seen big reactors and various controls of their operation along with various safety rules. then we have seen boiler and chiller section. Students also gained the knowledge of operating fire extinguisher. After this we have moved to R & D section where we have seen small scale reactions, fuming cupboard, work up process, TLC checking etc. Finally at instrumentation division we have seen gas chromatography, mass and HPLC.

During the visit an MoU has been signed between Department of Chemistry, Visvodaya Government Degree College and Anvitha Life Care Private Limited. MoU has been made with an objective to provide industrial exposure along with employment opportunities to the students.

## WORLD TEACHER'S DAY CELEBRATION

**Date** : 5<sup>th</sup> October, 2021

**Objective** : 1. To celebrate the role played by teacher in community upliftment.

2. To express gratitude to the founding teachers of this college.

### **Description :**

One and a half years into the COVID-19 crisis, World Teachers' Day has focused on the role of teachers in the educational recovery process and the need to reorient schooling process. In this context, Inner wheel club of Venkatagiri proposed the celebration of this day in the college premises, which was promptly accepted by the principal.

At Visvodaya Government Degree College, the day (5/10/2021) has been commemorated in association with the Inner wheel club of Venkatagiri. Smt. Madhavi, secretary -Inner Wheels club, has presided over the gathering. The speakers have recollected the sacrifices of various teachers. Dr. B K Prasad, retired Principal, has presented the case of Sri. J. V. Narasimha Rao, founder of Visvodaya government degree college. The event was concluded with felicitation to Dr. K. Aruna Kumar, Principal of the college.

**Outcome:** 1. Students understood the legacy of this college

2. All the participants appreciated the efforts put by Sri. J. V. Narasimha Rao, founder Principal.

## INSTALLATION OF RO WATER PLANT IN THE COLLEGE

**Date** : 18<sup>th</sup> October, 2021

**Objective** : To provide safe drinking water facility the students of the college.

### **Description :**

Inner Wheels Club of Venkatagiri has been constantly supporting the cause of students welfare and college development. In continuance of their charity, the club member, Smt. A. Mallamma, has generously contributed Rs. 55000 for the installation of RO water plant to ensure 24/7 continuous drinking water supply to the college community. This kind gesture has been a timely intervention as the college doesnot have any perennial drinking water supply and particularly at his stage of college expansion -in terms of student admissions and increase in staff members.

The RO water plant was inaugurated on 18th October amidst the presence of college staff, club members and students. As a token of gratitude, the Staff and students have felicitated Smt. A. Mallamma, the donor. Sincere thanks were conveyed to Dr. BK Prasad, retired Principal and the club members of Inner wheel, Venkatagiri.

**Outcome:** RO drinking water facility has been provided to the campus community.

## DISTRIBUTION OF BLANKETS TO THE HOMELESS

**Date** : 10<sup>th</sup> December, 2021

**Objective** : 1. To help the homeless to protect themselves during the chilling winter.  
2. Encourage students to serve the needy people with empathy.

### **Description :**

The members of Innerwheel club of Venkatagiri and the faculty from Visvodaya Government Degree College have donated blankets to the homeless and poor people in Venkatagiri. Donating blankets to homeless individuals is a great way to show support and provide comfort during harsh weather conditions. Homeless individuals often struggle with access to basic necessities, such as blankets, which can be crucial for survival in colder climates. Blanket donations can also have a significant impact on their mental health by providing them with a sense of security and warmth.

Students were also involved in identification and interaction with the homeless people.

### **Outcome:**

1. Faculty members took active interest in serving the needy.
2. Students understood the plight of the homeless people.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is signed on the last date of signatures below ("Effective Date") between Commissionerate of Collegiate Education, Govt of Andhra Pradesh having its office at ANR Towers, 1<sup>st</sup> Floor, Prasadampadu, Vijayawada, Andhra Pradesh- 521108 (hereinafter called as CCE, Govt of Andhra Pradesh)

and

Cisco Systems India Private Limited ("Cisco") having its registered office at SEZ, Cessna Business Park, Marathahalli-Kadubeesanahalli Outer Ring Road, Kadubeesanahalli Village, Varthur Hobli, Bengaluru 560 103, Karnataka, India (hereinafter called "Cisco"),

hereinafter, each a "Party" or together, "the Parties".

The Parties have been discussing a proposed collaboration in the area of **"Skill Development, IT Education and Workforce Development Programs"** ("Collaboration Areas").

Cisco Networking Academy is a global workforce development program for learning institutions and individuals worldwide. More than 10.9 million people have joined the Networking Academy and become a force for change in the global economy since 1997.

Networking Academy is one of the pillars of Cisco's Corporate Social Responsibility and delivers classroom instruction, online teaching materials, interactive tools, and hands-on learning to students from every socio-economic background, so that they can develop the knowledge and skills required to succeed in a technology-driven market.

Now the Parties agree as follows:

### A. NON-BINDING BUSINESS TERMS.

The Parties understand that this MOU is intended only to summarize the current business understanding of the Parties with respect to the Collaboration Areas and to facilitate their further discussions regarding certain objectives of the proposed partnership, as more fully described in Exhibit A, which are non-binding on the Parties. The terms and objectives set forth in Exhibit A shall be used for discussion purposes only and shall not be deemed to create any rights or obligations for or on behalf of any Party.

The Parties hereby acknowledge and agree that either Party may unilaterally terminate all negotiations at any time without any obligation or liability by giving the other party written notice. The Parties agree to proceed at their own risk and expense regarding the subject matter of this MOU until the execution of the definitive agreements if any or termination of negotiations, whichever is earlier. This MOU is non-exclusive and neither Party shall be precluded from entering into similar transactions with any third parties.

Each Party acknowledges that the other Party has not given it, nor has it relied on, any representations or assurance of future revenues, sales opportunities or profits arising from or in connection with the subject matter of this MOU. The Parties acknowledge that neither Party is justified in acting in reliance upon any promises nor representations of present intention purported to be contained in this MOU. Nothing in this MOU will exclude any liability which one party would otherwise have to the other party in respect of any statements made fraudulently.

## **B. BINDING TERMS**

The Parties hereby acknowledge and agree that the following subsections under this Section B (Binding Terms) shall be binding and create legal rights and obligations on the Parties.

### **1. Confidentiality**

In this MOU "Confidential Information" means any information or data, irrespective of the form and nature thereof, that is confidential or proprietary to the Party disclosing such information ("Discloser") to the other Party ("Recipient"), including, but not limited to technical know how, specifications, designs, models, software, techniques, drawings, processes, as well as industrial and intellectual property rights, business information, trade secrets, customer lists, financial information, process, costs, sales and marketing plans, information posted on their respective websites or any other information with the Recipient knows or reasonably ought to know is confidential, proprietary or trade secret information of the Discloser.

The Recipient shall at all times, both during the term of this MOU and for a period of at least three (3) years after its expiration or termination, keep in trust and confidence all such Confidential Information, and shall not use such Confidential Information other than for the purpose of fulfilling its obligations under this MOU, nor shall the Recipient disclose any such Confidential Information to any third party without the Disclosing Party's prior written consent. Upon termination of this MOU or written request from the Discloser, the Recipient shall, within fifteen (15) days from such termination or request, return all Confidential Information and any and all copies thereof to the Discloser, or at the Discloser's option, destroy the Confidential Information and any and all copies thereof, and certify such destruction

The obligations of confidentiality set forth herein shall not apply to information which;

- a. Was rightfully in possession of or known to the Recipient without any obligation of confidentiality prior to receiving it from the Discloser;
- b. Is, or subsequently becomes, legally and publicly available without breach of this MOU;
- c. Is rightfully obtained by the Recipient from a source other than the Discloser, without any obligation of confidentiality; or
- d. Is developed by or for the Recipient without use of the Confidential Information.

The Recipient may only disclose Confidential Information pursuant to a valid order issued by a court or governmental agency, provided that the Recipient provides the Discloser:

- a. Prior written notice of such obligation; and
- b. The opportunity to oppose such disclosure or obtain a protective order.

The Confidential Information shall remain the property of the Discloser and no license to any existing or future intellectual property rights or Confidential Information is granted or implied under this MOU.

All Confidential Information is provided "AS IS". The Discloser shall not be liable for any inaccuracy or completeness of the Confidential Information, nor are there any express or implied representations or warranties by either party to the other, including with respect to the infringement of any intellectual property rights or any right of privacy, or any rights of third persons.

### **2. Scope**

To this end, Commissionerate of Collegiate Education, Govt of Andhra Pradesh (CCE) and Cisco have decided to work together for the purpose of expanding digital skills in the identified up to 50

  
15/10/20

CISCO CONFIDENTIAL

Govt Degree Colleges located in various parts of the state, the details of which are provided in Exhibit A below. All the students in identified colleges will have access to self-learning courses available on the NetAcad portal. CCE will recommend 'Instructor-led' courses to identified colleges.

Cisco and CCE have mutually agreed that this program will be implemented by EduSkills Foundation for next 3 years subject to yearly performance reviews. Metrics for the review will be referred from point 3 of the exhibit A document.

The scope of this MOU as described above does not cover any development work, testing, licensing, distribution, support, sales, or maintenance. Should the Parties decide to pursue such matter that is outside the scope of this MOU, the Parties shall enter into a development, license, distribution, or other appropriate written agreement(s) accordingly. Projects initiated by Cisco directly through its affiliates or their channel partners in compliance with this MOU is for the purposes of promoting the objectives set out herein and not for resale, remarketing or distribution, rent, lease or for other use that would be inconsistent with the stated purpose of this MOU.

### **3. Publicity**

The Parties hereby agree that no press release or other public announcements regarding this MOU or any agreements contemplated thereby shall be made without prior review and written agreement signed by a duly authorized representative of the other Party.

### **4. Term and Termination**

The Parties agree that this MOU shall be effective as of the Effective Date and shall continue in effect until the earliest occurrence of one of the following: (1) the execution of a definitive MOU or definitive agreement relating to the scope of this MOU; (2) written notice by one Party to the other of termination of this MOU; or three (3) years from the Effective Date of this MOU. Section B (including all subsections) shall survive any termination of this MOU. Upon expiry of the Term, it is the intention of the Parties to further progress the solutions initiated under this MOU towards overall achievement of the objectives and outcomes contemplated herein. CCE shall, to this extent, endeavor to continue maintaining and promoting such solutions and projects to further the objectives set forth in the MOU.

### **5. Limitation of Liability**

Except for liability relating to either Party's breach of the other Party's confidential information or intellectual property rights, in no event shall either Party be liable to the other Party for any direct, indirect, incidental, special, punitive or consequential damages or loss of profits, lost revenue or loss of data.

Notwithstanding the foregoing, nothing in this MOU shall limit the Parties liability for bodily injury or death caused by its negligence or its liability in the tort of deceit.

### **6. Export, Re-Export, Transfer & Use Controls**

The products and technology (whether supplied directly or indirectly) ("Products and Technology") by Cisco under this MOU are subject to export controls under the laws and regulations of the United States ("U.S."). CCE shall comply with such laws and regulations governing export, re-export, transfer and use of Cisco Products and Technology and will obtain all required U.S. and local authorizations, permits, or licenses. Cisco and CCE each agree to provide the other information, support documents, and assistance as may reasonably be required by the other in connection with securing authorizations or licenses. Information regarding compliance with U.S. export, re-export, transfer and use laws may be located at the following URL:[http://www.cisco.com/wwl/export/compliance\\_provision.html](http://www.cisco.com/wwl/export/compliance_provision.html). 1. Introduction:

Cisco Networking Academy is a global education program that teaches students how to design, build, and secure computer networks for increased access to career and economic opportunities. It provides online courses, interactive tools, and hands-on learning activities to help students prepare for ICT careers in virtually every type of industry. Networking Academy helps students build 21st Century skills such as collaboration and problem solving by encouraging practical application of knowledge through hands-on activities and network simulations.

Networking Academy teaches ICT skills to students from virtually every socio-economic background and region of the world. The courses help narrow the technology skills gap by preparing individuals for careers in the new global economy. Since 1997, Networking Academy has grown from a small-scale to become the world's largest e-learning program and Cisco's largest corporate social responsibility program operating in 165 countries. More than 2 Million students develop ICT skills through the program each year. Networking Academy was launched in India in 1999. Over the past 19 years Cisco has supported the training of more than 400,000 students through public-private partnerships with higher educational institutions, vocational schools, public sector agencies, and nonprofits across India.

2. Proposed Obligations of CCE, Govt of Andhra Pradesh:

- Identify up to 50 Govt degree colleges those meets the program requirements to launch Cisco NetAcad program.
- Plan & execute faculty & students engagement activities to create awareness for student enrolment in self-learning courses.
- Organise training for instructors from all identified colleges. Instructor training duration will differ based on the courses offered. Training logistics will include space, general utility (electricity, water, and internet connectivity), trainers and trainee's food and accommodation, lab set up, individual laptops, etc.
- Each degree college will be required to enroll as an independent Networking Academy via the membership agreement process and should adhere to following pre-requisites:
  - i) Provide high speed broadband connectivity, computer labs for relevant courses (based on min requirements shared by Cisco), and classroom IT set-up.
  - ii) Identify upto 2 (Two) instructors from each institution with required qualification like Engineering/MCA in Computer Science/IT/Electronics, etc. or experienced diploma holders to receive Instructor Training.
  - iii) Ensure that the identified centres must have the minimum lab requirements for ITE in all the centers. CCNA labs are recommended for all the centers which choose to offer CCNA. Refer to the Scope and Sequence document provided by Cisco for necessary equipment list in each academy.

**Participating College's roles & responsibilities:**
