WORLD OZONE DAY

Slogan On Protection Of Ozone Layer

Save ozone,
save life.

Stop pollution,
save ozone.

No ozone, no life,
save ozone, save life.

DEPARTMENT OF CHEMISTRY
VISVODAYA GOVT. DEGREE COLLEGE, VENKATAGIRI
WORLD OZONE DAY REPORT

Date: 16-09-2021

Theme :

The theme for 2021 for International Day for the Preservation of the Ozone Layer is” **Montreal Protocol -'Keeping us, our food and vaccines cool.'**”

Introduction

Life on Earth would not be possible without sunlight. But the energy emanating from the sun would be too much for life on Earth to thrive were it not for the ozone layer.

This stratospheric layer shields Earth from most of the sun's harmful ultraviolet radiation.

Sunlight makes life possible, but the ozone layer makes life as we know it possible.

Activity Details:

Eco Club, Department of Botany and Department of Chemistry of Visvodaya Government Degree College, Venkatagiri, jointly organized **World Ozone Day** on 16-09-2021.

The programme was held on 16-09-2021 at 11 AM in the Botany Laboratory .During Covid-19, not possible to gathering all students.

Sri. A. Srinivasulu, Lecturer in Botany Eco club coordinator and Smt.M.Padmaja Lecturer in Chemistry and G.Sanjeev Reddy sir Lecturer in Chemistry explained about the significance of celebrating the World Ozone Day and how to protect it by discarding some of the daily used items containing CFCs.

The students also involving in the Programme and they people explained Ozone depletion, and how to protect it. Dr. K. Aruna Kumar Sir, Principal of the college presided over the programme and he described the scientific overview and environmental impact of ozone layer in his address.
