

ECO CLUB & DEPARTMENT OF BOTANY

VISVODAYA GOVT. DEGREE COLLEGE, VENKATAGIRI

EVENT REPORT

WORLD OZONE DAY

Date: 16-09-2022

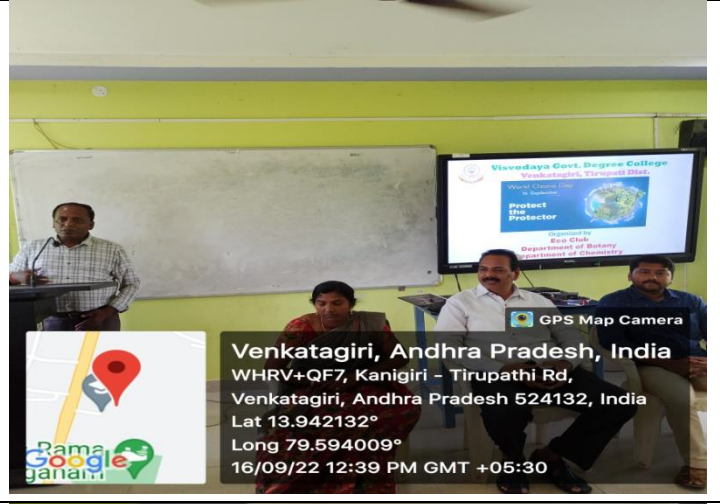

Objective: To raise awareness on the importance of ozone layer and the need for its protection among the youth.

Introduction: World Ozone Day or International Day for Preservation of Ozone Layer is observed on September 16 every year. The motto behind its observation is spreading awareness among people about Ozone Layer depletion and searching for possible solutions to preserve it. Every year World Ozone Day observed across the world with a specific theme. This year the theme is “*Cooperation to Protect Life on Earth*”.

Activity Details:

Eco Club, Department of Botany and Department of Chemistry of Visvodaya Government Degree College, Venkatagiri jointly organized World Ozone Day on 16-09-2022. As part of the observance of world ozone day a college level essay writing competition was organized to the students on the theme- “*Ozone layer – the Saviour of Life- justify*” on 12-09-2022. The programme was held on 16-09-2022 at 12 PM in the digital class room-1. Sri. A. Srinivasulu, Lecturer in Botany and Eco club coordinator welcomed the gathering and explained about the significance of celebrating the World Ozone Day and how to protect it by discarding some of the daily used items containing HFCs. Dr. K. Aruna Kumar, Principal of the college presided over the programme and he described the scientific overview and environmental impact of ozone layer in his address. After the speeches of the participant lecturers, Kumari. S. Hari Vandana, fifth semester B.Sc (BZC) gave an excellent Power Presentation on chemistry behind the structure and depletion of ozone layer. The programme concluded with prize distribution followed by vote of thanks delivered by Smt. M. Padmaja, Lecturer in Chemistry.
