

CAREER GUIDANCE CELL

The cut throat competition at all levels in the job market demands a support system that enables the students of an institution not only that attainment of academic excellence but to find a comfortable placement in life. The career guidance cell of Viswodaya Govt.Degree College, Venkatagiri supports the students in achieving their dream careers by providing career guidance, career counselling and other related services. Since the students in take is from different social, economic and academic backgrounds the students require well planned and organized career counselling at the institutional level for their career progression.

The career guidance cell under takes varies measures to train the students in the basic communication skills, spoken English and group discussions are conducted through departmental initiatives as recommended by the IQAC. Guidance's are given about opportunities for higher education /competitive exams and for jobs. The students are given awareness about the prospects of higher education in their future. They are made aware about job opportunities available in their subjects in the job market. The cell functions like a bridge between the institution and industry. It holds career oriented lectures by senior lecturers and successful personalities .Guest lectures are conducted in digital class room /seminar hall to enable the students fresh prospective regarding their career. Also there are career oriented training certificate courses. The Inculcation of guidance about employability skills helps the institution in building awareness for its students

Career guidance thus addresses both academic and career concerns and opportunities. The principal and all the faculty members extend their support to the functioning of career guidance cell
